

OBJECTIVE

ADDGESTION provides an outsourcing service in all areas of insurance that could be of interest, such as handling losses, collection, file management, auditing and remote loss adjustment.

Advantages are clear:

- reduced costs
- minimised internal structures
- flexibility in management costs

CLIENTS

Insurance companies, brokers and industrial, distribution and service companies.

FIELD

National and international.

TEAM

Network of expert adjusters set up by means of a coordinated and capillary structure, which ensure an effective and fast response.

LOSS PROCESSING

We undertake comprehensive loss processing based on the requirements of the clients and in the requested branches (damage, public liability, transport). We even work within the claims handling systems of our clients. We provide overall loss management or specific processing of mass claims arising from a single public liability loss or a catastrophic event.

REMOTE LOSS ADJUSTMENT

A quick and cost-effective solution to handle simple cases, which guarantees a solution without the need for travelling.

COLLECTION

The aim is to reach an amicable agreement of the claim for the damage caused by a third party to final settlement.

AUDITORS

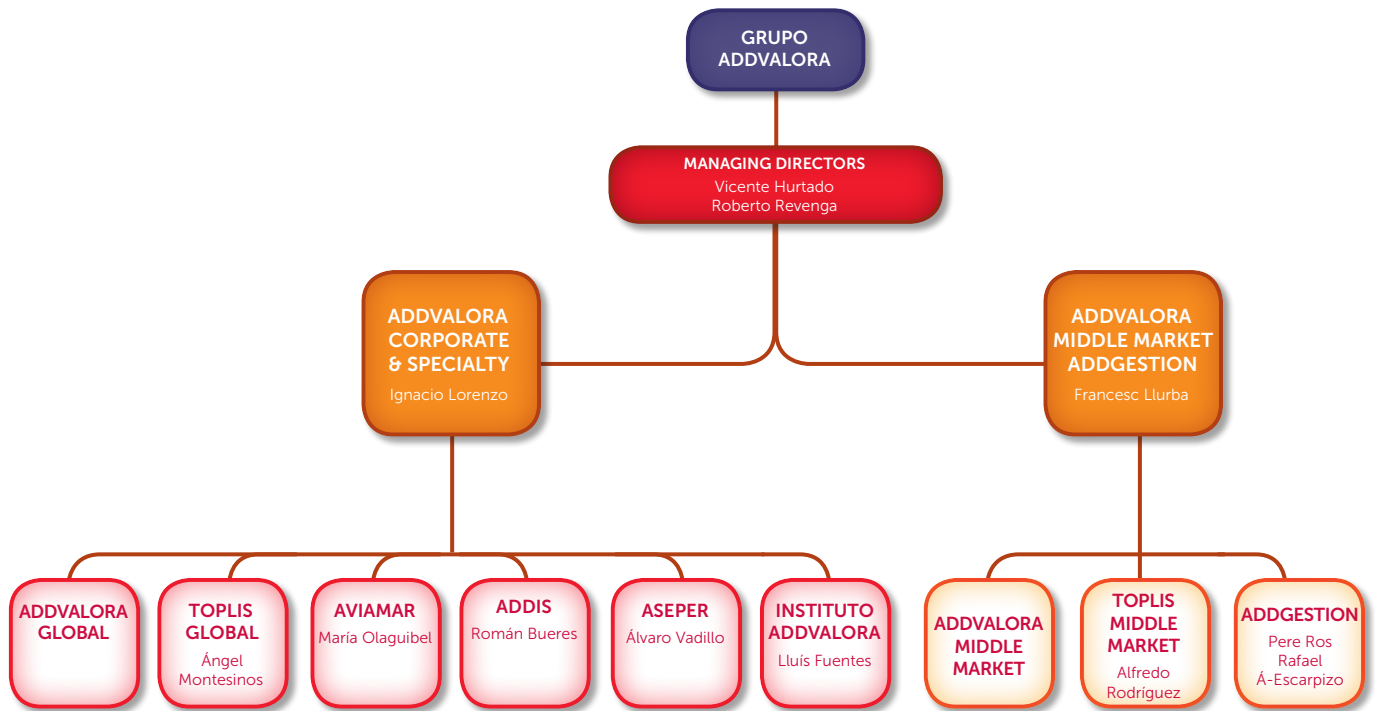

For **repairers**: Analysis of possible cost deviations, scale table compliance, scope of repairs, deadlines and satisfaction rate of the clients.

For **loss adjusters**: Checking compliance of procedures, studying pre-existing conditions, scale table application and level of customer satisfaction, information and service.

MANAGEMENT AND ADMINISTRATION

Outsourcing of administrative tasks, file management and Backoffice (TPA-Third Party Administrator).
